

David: That the Whole World Will Know
1 Samuel 17:46

This day the LORD will hand you over to me, and I'll strike you down and cut off your head. Today I will give the carcasses of the Philistine army to the birds of the air and the beasts of the earth, and the whole world will know that there is a God in Israel.

Everyone knows the story of David and Goliath three thousand years after it happened, the most well known ancient event of that era. Today's message is the final installment of this fall series, "Confrontations with God." David's story is amazing in many ways, but the real story of how God was at work is easy to miss. Today, let's see how David's victory over the giant was not just an underdog story, but it points straight to the Resurrection of Jesus and the heart of God that all people might know the good news of our Savior.
