

The Gospel Reshapes Relationships

Romans 12:16

Live in harmony with one another. Do not be haughty, but associate with the lowly. Never be wise in your own sight.

The Big Idea:

The gospel reshapes how we see others because it has first reshaped how we see ourselves before God.

1. The gospel reshapes our view of ourselves

"Do not be wise in your own sight."

*"For by the grace given to me I say to everyone among you not to **think** of himself more highly than he ought to think, but to **think** with sober judgment, each according to the measure of faith that God has assigned."*

2. The gospel reshapes our view of others

"Do not be haughty, but associate with the lowly."

3. The gospel reshapes our community

"Live in harmony with one another."
